

The T-Class S 680

Tramp S 680 3.500 kg – 4.200 kg []

Basic price: €63,990

Main highlights:

- Semi-integrated vehicle built on the new Mercedes-Benz Sprinter chassis with front-wheel drive plus comprehensive assistance and multimedia systems
- Level upper floor with a headroom of 2.04 m throughout the entire living area
- Modern interior design in a light colour scheme with a comfortable seating area
- Optional power-operated fold-down bed above the seating area
- Carefully selected furniture components in a wood design for a cosy atmosphere on board
- Two long single beds measuring 1.95/ 1.90 m
- Four, full-size seats facing the direction of travel (5th seat opposing the direction of travel optional)
- L-shaped seating area with 360° adjustable table for improved access from the cab to the living area
- Ergonomically optimised bathroom and shower design with large mirrors and user-friendly lighting
- Spacious en-suite bathroom with a separate shower that can be partitioned off from the living area
- Increased self-sufficiency due to diesel-powered, hot-air heating system with boiler and 152-litre compressor refrigerator as standard
- Large garage
- Reduced weight thanks to front-wheel drive

Comprehensive standard equipment:

- Mercedes-Benz 314 CDI, 105 KW / 143 hp
- Keyless start with automatic ignition key detection
- Crosswind Assist
- Exclusive Hymer multifunctional rear lights that use LED hybrid technology
- GRP lightweight floor with XPS insulation
- Large garage doors on right in direction of travel
- Floor-to-ceiling wardrobe for light jackets and evening gowns
- Mosquito net blind on the entrance door
- Al/Al side wall construction (PUAL design)
- Premium all-metal hinges with soft-close mechanisms
- Kitchen with premium fittings
- Ergonomically improved bed access
- Premium mattresses with underneath ventilation for perfect sleeping comfort
- 6 kW diesel-powered, hot-air heating system with hot water boiler
- Open shelf unit for more headroom

Optional extras (selected):

- Lowerable double bed above the seating area
- Comfort L-shaped seating area with lounge upholstery
- High-performance LED headlights
- Head end of the bed with optional wall unit for extra storage space
- Hymer Smart Battery System (lithium-ion battery)
- Hymer lighting concept with several lighting levels plus LED ambient lighting
- Assistance systems such as Active Distance Assist (DISTRONIC), High Beam Assist, active lane departure warning system or Traffic Sign Recognition
- 2400 W roof air conditioning
- Absorption refrigerator combined with gas-powered, hot-air heating system
- Hymer Bike Carrier and other accessories from Hymer Original Parts
