- All lights dimmable, central switch at the rear for easy operation of the lighting throughout the vehicle

B 780 ML  4.430 kg – 4.500 kg    [  ]

Basic price: from €86,990

#### Main highlights of the B-Class MasterLine T 780:

- Flat, aerodynamic T-hood (like the B-Class ModernComfort T 680)
- Harmonious design throughout the cab, locker doors can now be opened and the best possible use made of the space available
- Very large kitchen and spacious en-suite bathroom (like the B-ML I 780)
- Generous feeling of space thanks to corner kitchen and large seating area
- 153 l refrigerator with double hinge – can be opened in both directions
- LED TV perfectly integrated into the living area, with optional electric TV lift
- Large, floor-to-ceiling wardrobe
- Shower with 1.94 m headroom or level standing space thanks to matching shower grate
- Two large single beds measuring 2 m in length and almost 90 cm in width, including comfort sleeping system as standard for optimal comfort
- Floor-to-ceiling, fixed sliding door for convenient separation of the bedroom from the living area
- Wide seating area for an even more generous feeling of space (approx. 10 cm wider than the B-Class ModernComfort T 680)
- Corner kitchen with large work surface in front of cooker and front controls, including mid-height larder unit
- Multi-level LED ambient lighting on the overhead lockers, under the kitchen counter and in the plinth area
- Low-level gas locker with adjacent gas bottles for easier access and gas-bottle changes
- Large moped garage with a height of up to 123 cm, a width of 110 cm and a 350 kg payload as standard (like the B-ML I 780)
- 65 cm XXL entrance door with window (optionally with central locking system, closing aid and RFID access)
- 5th seat available (O)
- Original Daimler comfort seats upholstered in the same fabric as the living area

### Comprehensive standard equipment:
